A Pot Luck Supper was enjoyed by all at 6:00 PM. We have "good" cooks in the club. The meeting was called to order at 6:45 by President Jim Gassert.

Kevin Turnock moved to accept the minutes of the November 1, 2018 meeting as read. Stephen Diehl seconded the motion and it carried.

Jim Tourville moved to accept the treasurers report with a balance of \$32,585.47. Roger Bernhardt seconded the motion and it carried.

Franklin Turnock reported on the Aitkin County Alliance Meeting. There was a conversation with the land department and ATV/snowmobile clubs on what needs to be done in the county. Up North ATV Club needs more rock and to brush the trail. The Soo Line was mowed to Lawler. Franklin will check on signage before the loops. All Aitkin County gravel roads are open, but they still need posting.

Jim Gassert reported the logger has not been in the Soo Pits yet.

Dan Reed would like to start the work on the Brown Road in Automba Township. It would make the trail come about ¼ mile from Aitkin County Turnock Loops. There will need to be a couple culverts included. Franklin Turnock moved to give \$10,000.00 to Automba Township to cover the cost of the project. Jim Tourville seconded the motion and it carried. Jim will contact Dan Tomorrow about the project.

Friday, January 18, 2019 will be the date of the ATV/Snowmobile Instructor Training Class. It will begin at 6:00 PM and your online class work will need to be completed when you come. We always need more instructors...

The youth training classes will be in April and May.
