The July meeting of the Evergreen P.A.C. was called to order at 7:00 PM by President Jim Gassert.

A motion to approve the June 7th minutes as read was made by Ed Raisanen and seconded by Jim Tourville. Motion carried.

A motion was made by Al Rinta to accept the treasurers report with a balance of \$8,818.14 in the checking account including a balance of \$475.45 in the raffle account. Carol Allen seconded the motion and it carried.

President Gassert reported he submitted the grant portion and we should be getting around \$16,000.00 in a few weeks. The South Metro Club has already received their portion.

Franklin Turnock moved to let the Carlton County Riders use the former prop trailer until they can get funds to get one. He withdrew his motion and Gary Allison moved to donate the trailer to them. They will have to pay for the transfer and when done with it should donate it to another club needing a trailer. Carol Allen seconded the motion and it carried.

The Aitkin County Alliance meeting will be Thursday, July 12, 2018 at Hill City.

The Soo Line is closed east of Moose Lake to the Wisconsin border because of flooding. The county is requesting no berm be left on the edge of the Soo Line to enable water to run off. There is a beaver problem between Automba and Kettle River. Tom Parkens has been made aware of the washout. Jerry Stone reported the trails are in good shape in General Andrews and at Denham. Nemadji is closed at this time.

Carlton/Pine maps are available at Moose Lake Implement. Jerry Stone will be distributing them to sponsors.

There is a Veterans Ride on Saturday August 11th at 10 AM at Jackson's Hole in Lawler.

Carmen Rinta is setting up an ATV/Snowmobile Training in Tamarack for September. We have six interested members now and hope to have more by the September date.

Lawler Days is July 28th. Gary and Luann are planning on setting up a tent to sell raffle tickets. They will be there at 10 AM if someone would like to help. Gary Allison moved to have a 50/50 drawing with the proceeds going to pay the DNR Youth Training fee. Youth now pay \$29.95 for the computer class and then we would give them the \$10.00 for the state DNR for their license. Jim Tourville seconded the motion and it carried. It is possible Lake Country Power funds could be tapped also.

Members signed up to sit in the booth at the Carlton County Fair August 16, 17,18, and 19th. We still have openings as we like more than one person/family to man the booth, so they have a chance to see the fair also.
