We enjoyed a potluck supper at 6:00 PM. Co-President Kevin Turnock called the meeting to order at 7:00 PM.

Ed Raisanen moved to accept the minutes of the July 11<sup>th</sup> meeting as read. Jim Tourville seconded the motion and it carried.

Ed Raisanen moved to accept the financial report with \$18,984.92 in the treasury. Fred Neumann seconded the motion and it carried.

Perry May First Vice President of ATVAM shared upcoming information on the Ride and Rally at Crane Lake. A bridge project will be dedicated at that time. He has a four-minute video on the virtual reality ride. Gary Allison has downloaded it and we hope to use it at Carlton County Fair. The suggestion is youth should be over 13 years to use the goggles. ATVAM may charge \$200.00 for the video. That decision has not yet been made. We are using it and giving them back feedback. Franklin Turnock moved to pay Gary Allison \$251.61 for goggles, case and tax. Ed Raisanen seconded the motion and it carried.

Up North Riders has made an exchange of our porta potty for their battery-operated chain saw.

Jerry Juutilainen and Greg Jones will help Jim Gassert set up the fair booth. Ed Raisanen volunteered a slot of 5 PM to 10 PM Friday for the Carlton County Fair work schedule. Allison's will stay the extra hour for it to work out.

Carmen Rinta moved to have the ages for the youth helmet drawing 10 to 15 years old. Franklin Turnock seconded the motion and it carried.

The Brown Road was discussed. Franklin Turnock talked to Chris noting the application is for state land not county land. It seems Automba Township is ATV friendly but Split Rock Township may not be.

Note the prison trail is fixed.

There was discussion on a possible bridge at Coffee Lake. Gary Allison reported there are options for the bridge south of Moose Lake. The span is about 34'. We could use poles, steel trusses, trailer house frame, or semi frame? The DNR is okay with it, but there should be a permit from Carlton County. This project can wait until next year.

Carlton County Riders Ride is August 3<sup>rd</sup>. They will be leaving from Kettle River to Axtell for lunch at 10:30.

Franklin Turnock moved to have the next meeting on September 5<sup>th</sup> at Tamarack Sno Fliers Building with potluck at 6:00 and the meeting at 7:00 PM. Deb Neumann seconded the motion and it carried.

Yvonne Bernhardt moved to adjourn the meeting. Carol Ann Allen seconded the motion and it carried.
