

Evergreen P.A.C. ATV Club Minutes March 3, 2022, @Doc's in Sturgeon Lake

The meeting was called to order at 7:00 PM by Co-President Roger Yotter. In attendance: Jeff and Gale Bradford, Ann Dhaemers, Jim and Maureen Gassert, Bill Irving, Jerry Juutilainen and Barbara Perron, Bob and Cindy Knauff, John and Tara Reibeling, Eric Senarighi, Jerry Stone, Franklin and Darlene Turnock, Daniel Williams, Deb and Roger Yotter and guests Kim Bartlet and Bernie Despot

Secretary Turnock read the minutes of the February 3, 2022, meeting. Deb Yotter moved to approve them as read. Jerry Stone seconded the motion and it carried.

Jim Gassert moved to accept the treasurers report with a balance of \$22,029.03 at the end of February. Deb Yotter seconded the motion and it carried.

Thank You's were read from the Moose Lake Area Food Shelf and Tri-Community Food Shelf.

Franklin Turnock noted the tank for the gas pump in Lawler is legal. Chuck from McGregor 66 will get back to him with the name of the person in Baxter who could do the hook up.

No one has contacted me with interest in taking the ATV/Snowmobile Instructor Training. There was a class in Cromwell on 2-12-22.

Jim Gassert reported there is nothing new on the Soo Line, but he is looking for volunteers to help keep the trails up. The City of Cloquet has stencils we can borrow for signage. He received Greg Bernu's paperwork and is working on grant payments. The Bike Trail on the ATV Trail would need dividers and that would be a problem for maintenance. So far it will remain on the streets of Moose Lake.

Jim Gassert would like a sign on the bridge Jim and Sandy Larson donated in Moose Lake. Franklin Turnock moved to pay for it and Bob Knauff seconded the motion. Motion carried.

Franklin Turnock noted information from Steve Hughes says the mats can be put on ties. He would like confirmation in writing from the land department. Eric Senarighi noted Superior Energy may have ties for sale.

Bob Knauff moved to have a raffle this year with prizes being \$500.00 1st, \$250.00 2nd, and \$150.00 3rd. Franklin Turnock seconded the motion. Motion carried.

Jim Gassert moved to give the youth \$10.00 or if the price increased to match it to cover the license after they take the youth training. Deb Yotter seconded the motion and it carried. It is noted the #2 props need to be replaced before training begins.

Dates for Youth Training: Moose Lake April 30, 2022, Lawler May 7th, and Tamarack May 21st. Gale and Jeff Bradford will confirm these dates with the locations. The hours will be 9 to 12 and 1 to 4. We don't know if the DNR limits the number of youths that can take each class at this time.

Deb Yotter moved to adjourn the meeting. Jeff Bradford seconded the motion and it carried.
